

SE MN H.O.G. Chapter Challenge 2011

This year's chapter challenge is designed with 4 separate ways to compete or be involved, so everyone can find a way to participate, and be rewarded. This year's SE MN H.O.G. Chapter Challenge contest begins with the May 14th meeting. The mileage part of the contest is the only acceptance which started at the beginning of the year.

The amount of tickets each participant earns is based on sign-in sheets and info turned in. The chapter challenge committee records will be the final basis for the number of tickets each participant gets.

1. Hardened Hams, this is our SEMN H.O.G. Chapter's Mileage contest.
 - a. As was done this past year, for every 1,000 miles you ride, you get a ticket to be used for a chance at the many prizes to be given away at the 2011 Holiday party.
 - b. The person who achieves the most miles in 2011 wins a \$50.00 Rochester Harley Davidson gift certificate
 - c. The person who achieves the number of miles closest to the average miles for the SEMN H.O.G. average miles, wins a \$25.00 Rochester Harley Davidson gift certificate.
 - d. A trophy will be awarded to those who have 2,000 or more miles.
2. SEMN H.O.G. Chapter Meetings / Rides / & Events
 - a. For each SEMN H.O.G. meeting you attend and sign in, you receive 1 ticket for prizes to be drawn at the 2011 Holiday Party.
 - b. Receive 1 ticket for each H.O.G. ride, or H.O.G. event you sign in for. Road Captains will have the sign in sheets for each ride.
 - c. Please be sure to sign in at each SEMN H.O.G. meeting, ride, event, and we will track how many you attend and issue the total tickets at the Holiday party. This includes all SEMN H.O.G. rides, Birthday rides, dinner rides and SEMN H.O.G. events.

3. Spell HARLEY DAVIDSON

- a. Find a town beginning with the letters that spell out Harley Davidson. You will receive 1 ticket per letter.
 - b. You need to take a picture of your bike with a city sign in the background. To be sure you don't have to stop along a busy road to take a picture of a city sign, we recommend you take the picture of your bike with a City office sign, i.e. "Rochester Post Office", Police car (hopefully without lights and sirens blaring), water tower, or a business name in a city with the name of the city on it.
 - c. If you have a passenger who also is participating in this event, please take a picture of each other with the bike in front of the sign so they too can receive the tickets for this challenge.
 - d. If your camera has a date function, turn it on for easy reference.
 - e. Simply fill in the towns on the provided HARLEY DAVIDSON CHALLENGE sheet. Provide a picture for each of these entries.
 - f. You will receive a ticket for each letter. You can only use a town name one time. You can spell out Harley Davidson as many times as you can, but can only use each town 1 time. The named cities can be from any state. You are allowed to turn in one partial sheet, any others must be complete.
4. The overall Chapter Challenge Winner (the person who earned the most tickets for the Holiday Party Drawings will also win a \$100.00 Rochester Harley Davidson gift certificate.

Come to meetings, go on rides, we have made it easy for everyone to have a chance to win. The more you participate, the better chance you have to win. The tickets for prizes will be drawn at the Holiday Party. You need not be present to win. For those that are present and their name is drawn a second time, he/she can take their pick of the first prize or the most recent draw, but only one prize per person. The people not present will receive the first prize drawn for them. Everyone's ticket will go back in for the grand prize or prizes. For the people attending the Christmas party there will be door prizes also to be drawn.
